Summary	The Closed Courses are the best choice for all students whose goal is to pass a Cambridge Exam	Cambridge Flexi is recommended for students who: <ul style="list-style-type: none"> • Would like to study a different course than General English • Would like to prepare for Cambridge without having the pressure of the exam • Cannot start a Cambridge closed course at a specific date • Do not have enough time to study for 12 weeks Note: students can enrol for an exam at the end of this course – we need to know for sure if their goal is to take the exam, so that when a pre-test is taken prior to enrolling we will recommend the right study plan (including how many weeks are needed to succeed at the exam).
