Terms and conditions:

- The evening course is available only for onshore students or offshore Brazilian students.
- Students can change their morning course to the evening course after they start their morning course if there is availability in the evening course.
- Students will commence the course on fixed intake dates in 2026 and 2027.
- If students change their morning course to the evening course, there is no refund on the fee difference between the two courses.
- Students need to have a minimum of 5 weeks left on their enrolment to change to the evening course.
- Students who finish their morning course can re-enrol for the evening course.
- Students can change their evening course to the morning course if there is availability in the morning course.
- Students should study a minimum of 10 weeks in the evening course before changing to the morning course.
- Students must maintain a current attendance rate of at least 80% to be eligible for changing to either the evening or morning course.
- A pre-test is required to book evening course.
- If students change their evening course to the morning course, they need to pay the fee difference between the two courses.
- There is no course change fee for the first course change. However, a \$100 course change fee applies for the second course change and every change after the second course change.
- Students changing from COVID visa and WH/Visitor visa to Student Visa need to submit their GTE statement of purpose letter to Langports before accepting their bookings.
- Langports might request students to submit their GTE statement of purpose letter on a case-by-case basis before accepting their bookings.
- The evening course payment plan and onshore prices are not available to offshore Brazilian students.
